Establishment of IQA Committee

To enhance the quality improvements in the academic process and also as a pre-accreditation exercise Internal Quality Assurance Cell (IQAC) was formed in the college in 2018. The objective of the cell is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution at all levels with the involvement of all stakeholders.

Objective:

- To promote and implement quality improvement measures in the key performance areas through planned interventions and strategies.
- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Functions:

- Formulation and application of quality benchmarks parameters for various academic and administrative activities of the institution;
- Facilitating the creation of a learner-centric environment.
- Collecting feedback on quality-related processes from all stakeholder
- Dissemination of information on various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Development of Quality Culture in the institution
